

REMARKS

Reconsideration of the application is requested.

Claims 40 - 54 and 57 - 66 are now in the application. Claims 44, 54, 57, and 58 have been amended. Claims 34 - 39 and 55 - 56 have been canceled. Claim 44 has been amended in response to the Examiner's rejection thereof under 35 U.S.C. § 112, second paragraph. Claim 54 has been amended by incorporating therein all of the limitations previously appearing in claims 55 and 56. In light of the indicated allowability of claim 56, the amended claim 54 is now in condition for allowance.

Fig. 6 of the drawing has been amended by adding the reference numeral "13."

All of the claims are believed to be in condition for allowance. Should the Examiner find any objectionable items, counsel would appreciate a telephone call during which the matter may be resolved.

A Notice of Allowance is respectfully requested.

Respectfully submitted,

Werner H. Stemer (Reg.)
